

MATCHMAKING

Game settings...

Number of players:

10

Number of hunters:

2

Activate proximity warning:

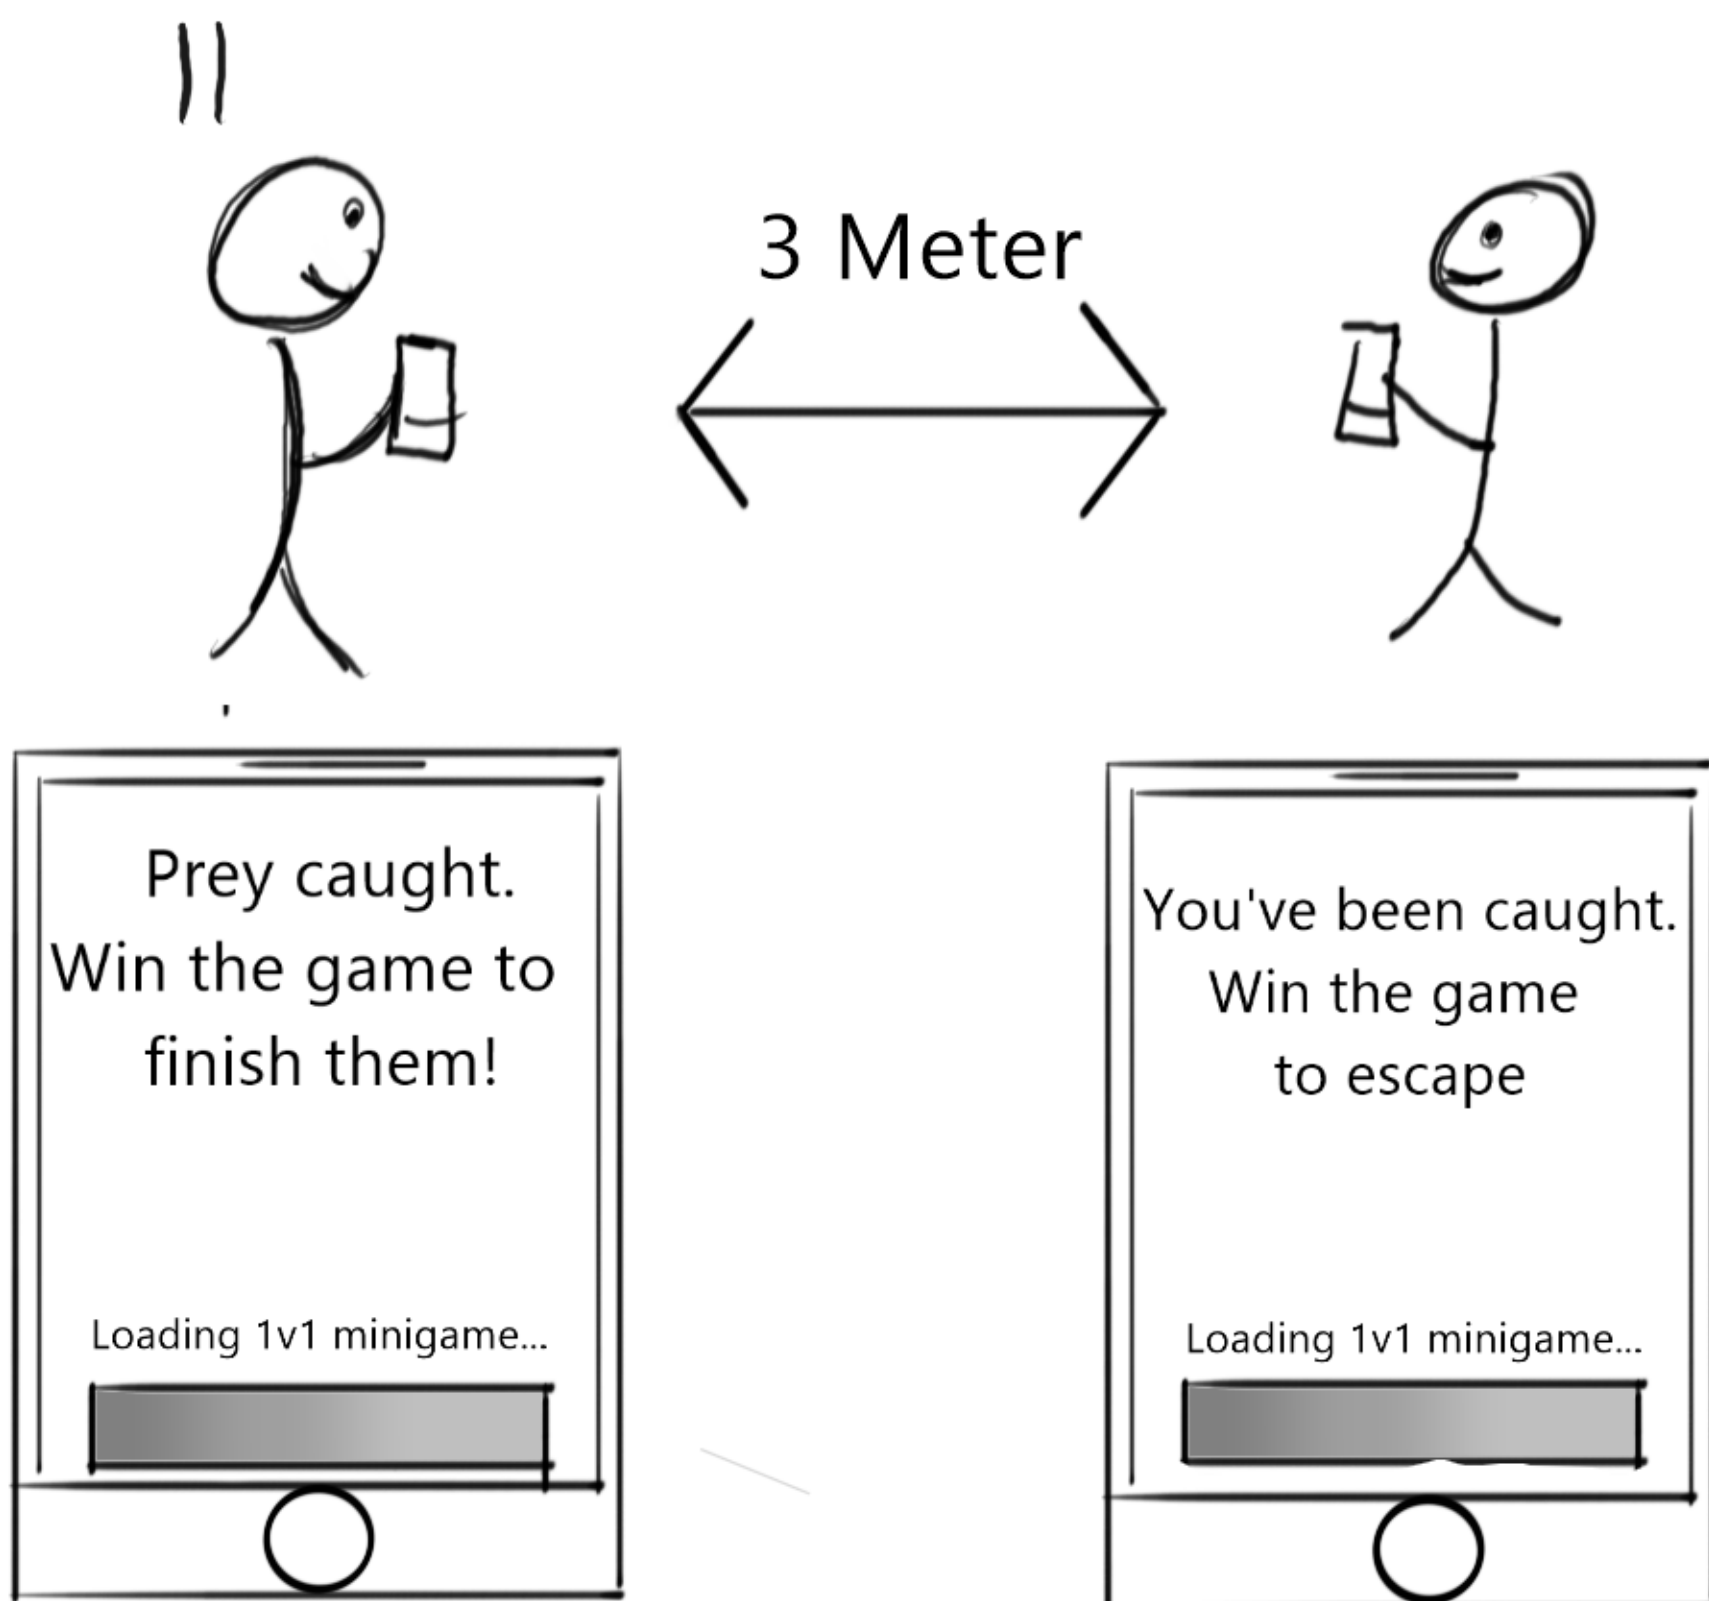

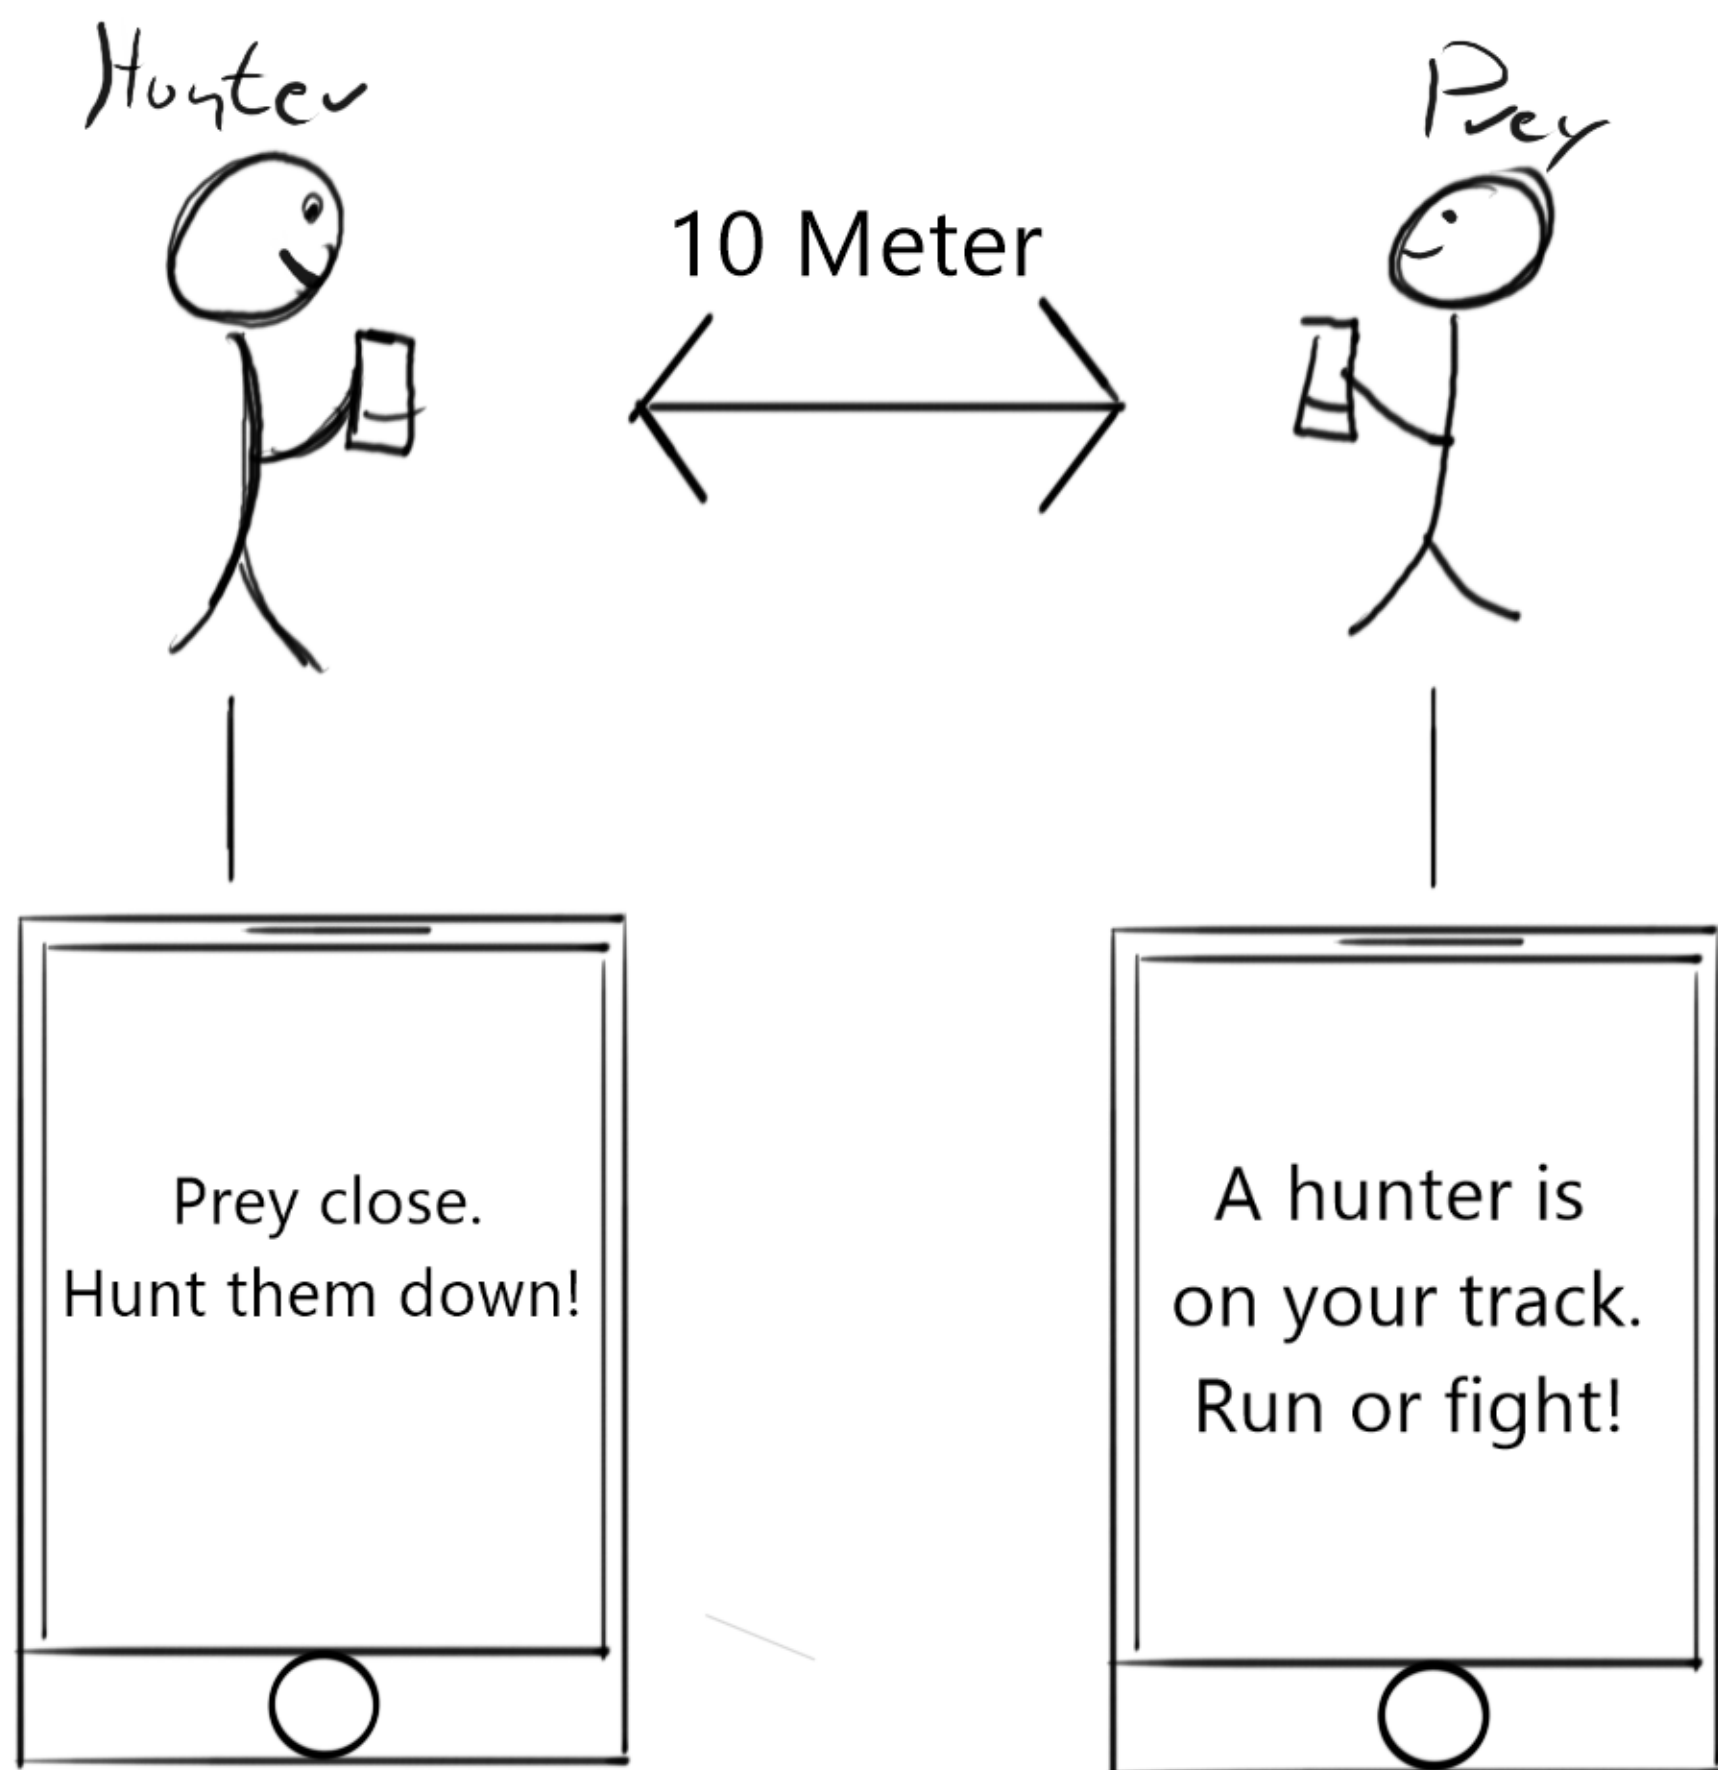

Proximity warning distance:

10 m

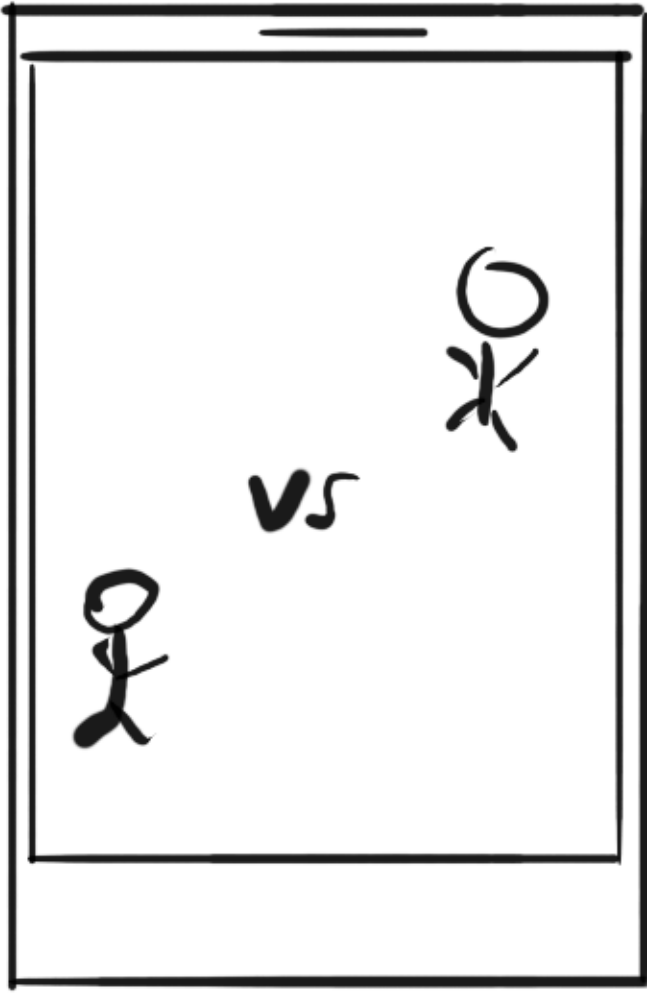

Minigame trigger distance:

3 m

Minigames

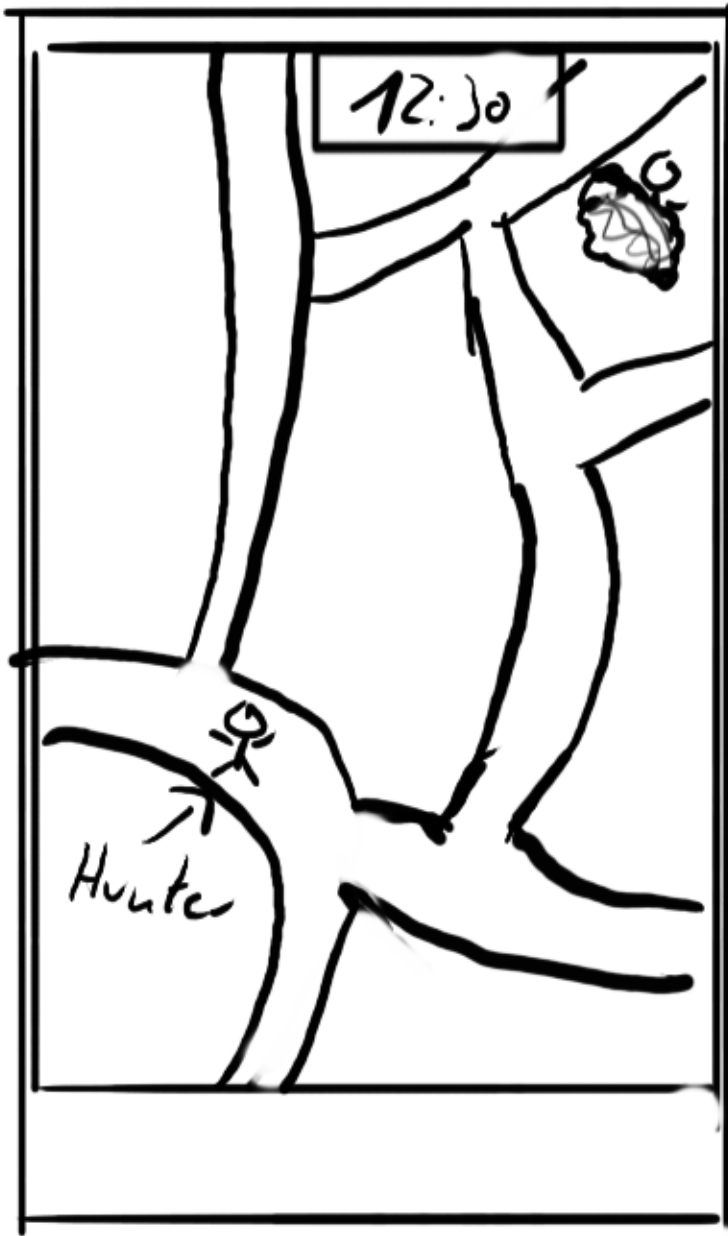

From a pool of minigames one with the matching line-up (1v1, 1v2, etc) is chosen at random

Losing the game as a hunter results in losing a life

Losing the game as prey will end the match for you!

Dodging the
Hunter over
time gives you
XP to level up.
Higher levels
give better
Bonuses in
Minigames

The hunter
however has to
win fights to
gain XP.

Team up to increase your chances of survival.

You've been caught
but an ally is nearby.
Team up to defeat
the hunter
