

Preferences for finding puzzles

- Preferences change appearance rate of selected property

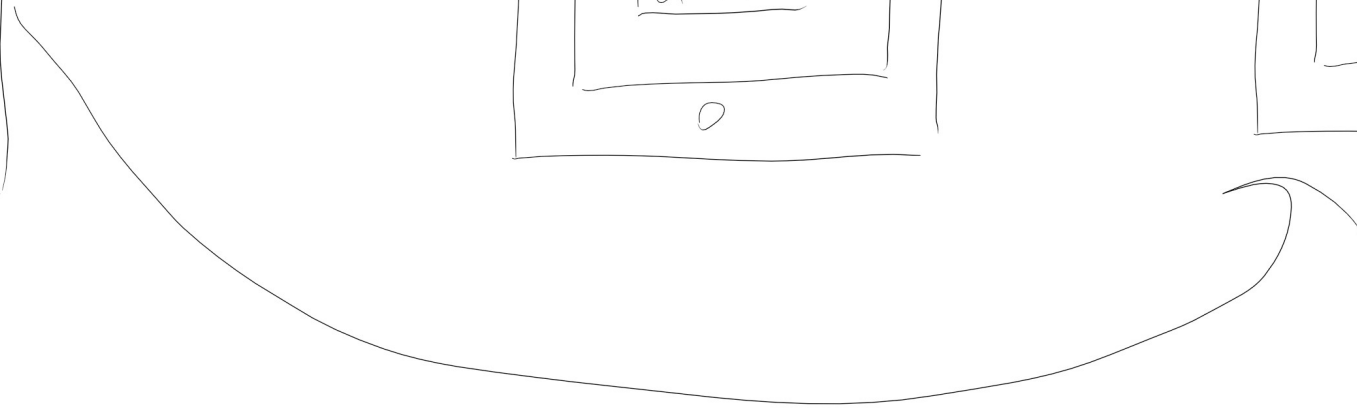

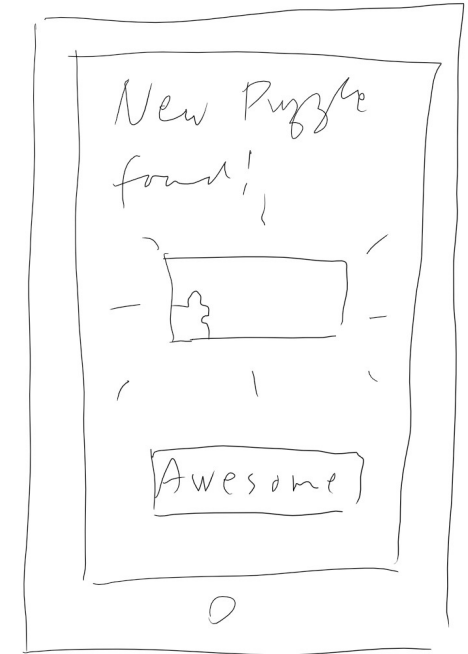

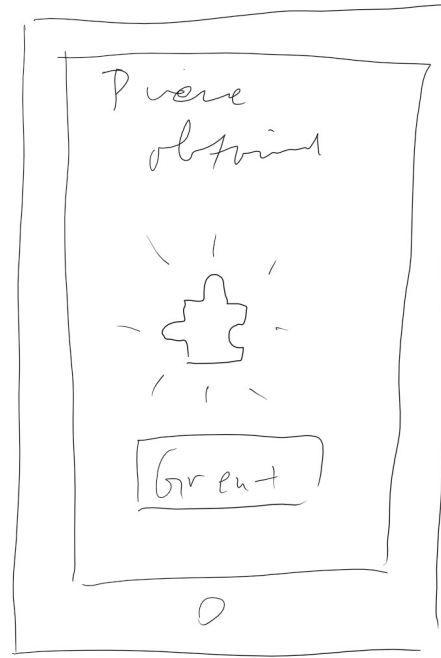

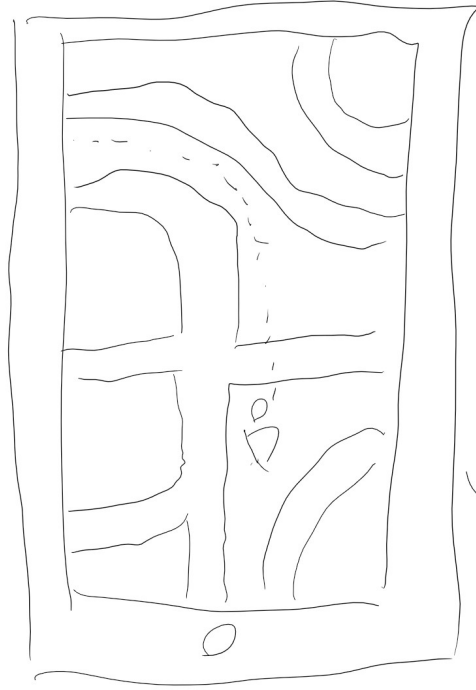

Friends preference increases rate of high-rated puzzle in your friend circle

global: - set week-long preference
- influences found puzzle pieces

POI: independent of global setting
- changeable each day

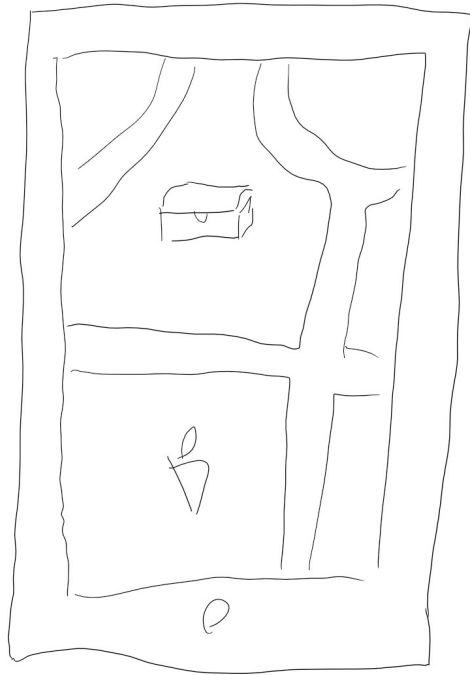

Collect Pieces outdoor

- Walk around to collect pieces or find new puzzles
- major routes → more to find, easier to find

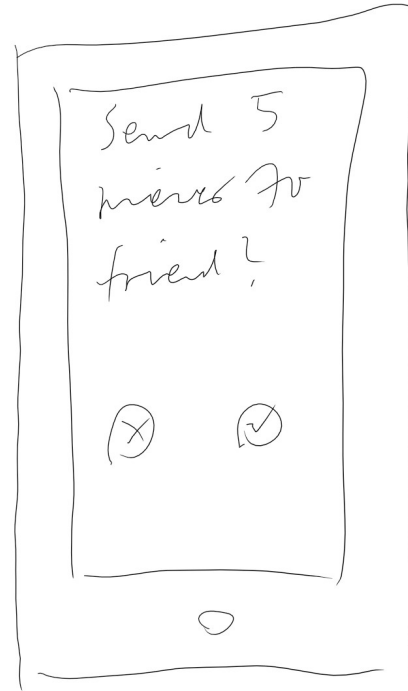

lootboxes

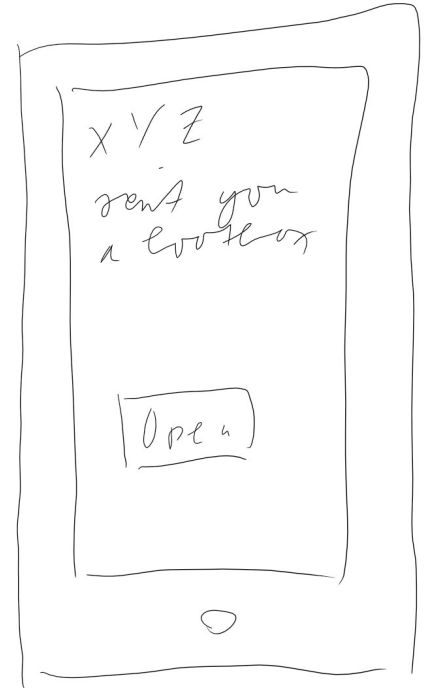

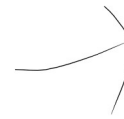

- Spawning everywhere
- visible to everyone
- may contain not collected puzzles
- FCS
- higher chance of pieces from nearby POIs

- Friend Lootboxes available daily
- The more frequent $\rightarrow$ more pieces, "better" pieces
- might attach own duplicates
- optional: set location
- unlocked after certain "level" of friendship
